SUPREMIUM[®] PETROL

More kilometres with a full tank

Wynn's Supremium[®] Petrol is an additive package developed to upgrade the quality of regular petrol or E10 fuel to premium-grade petrol or E10 fuel. The formula was especially adapted to protect the fuel system against the consequences of using E10 fuel.

Properties

1. **Fuel economy - Friction modifier**

- ✓ Lowers internal friction between parts in the fuel system.
- ✓ Reduces the increased fuel consumption when using E10 fuel that has a lower heating value.

2. **Detergency**

- ✓ Cleans and keeps clean injectors, valves and fuel system.
- ✓ Maintains and restores optimal engine performance and power.
- ✓ Reduces noxious exhaust gases by up to 30 %.
- ✓ Eases cold starting.

3. **Corrosion inhibitor**

- ✓ Prevents pitting and wear on fuel system components.
- ✓ Assures extreme corrosion protection when using E10 fuel.
- ✓ Eliminates water from the fuel tank.

4. **Lubricity agent**

- ✓ Lubricates and protects the fuel pump and injectors.
- ✓ Provides improved lubrication when using E10 fuel.

Applications

- ✓ For direct or indirect petrol injection engines and hybrid vehicles.
- ✓ For use in all types of petrol, including E10 fuel.
